

SPECIALITY DIVING COURSES

WITH JUKUNG DIVE RESORT BALI

Explore Amed and Nusa Penida with one trusted operator, and build your skills through a range of specialty courses and tailored packages.

SPECIALTY COURSE OPTIONS:

DRIFT DIVER:

Most recommended in Penida

Master currents and experience Nusa Penida's most iconic dive sites with confidence.

WRECK DIVER:

Most recommended in Amed

Learn safe wreck diving techniques, including navigation, lines, and penetration procedures.

DEEP DIVER:

Learn safe deep diving procedures and extend your limits to a maximum depth of 40 metres.

NITROX DIVER:

Extend your bottom time and reduce fatigue, ideal for multiple dives over consecutive days.

Crystal Bay,
Nusa Penida

DIVE AGAINST DEBRIS:

Take part in marine conservation while learning how to safely remove debris from dive sites.

PEAK PERFORMANCE BUOYANCY:

Refine your buoyancy, improve air consumption, and dive with greater control.

NIGHT DIVER:

Experience a different side of the reef and develop confidence diving at night.

SELF-RELIANT DIVER:

Build the skills and confidence to dive independently and safely.

USAT Liberty
Shipwreck, Amed
