YOUR OPEN WATER JOURNEY

Over 70% of our planet lies beneath the ocean's surface. The PADI Open Water Diver course is your first step into this underwater world, giving you the skills and confidence to dive safely anywhere in the world. At Jukung Dive Bali, we focus on small groups, experienced instructors, and a relaxed learning environment, making your first diving experience both comfortable and unforgettable.

DAY 1: EQUIPMENT SET UP AND CONFINED

- Finish elearning before arrival or do the theory part in the morning
- Meet your instructor and complete a course briefing
- Learn how to assemble and use scuba equipment
- Confined water skills session to practice basic techniques
- Build confidence, comfort, and breathing control underwater

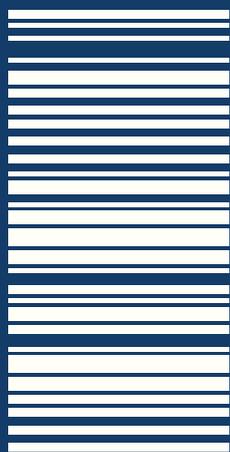

DAY 2: OPEN WATER DIVES 1 + 2

- Complete your first two open water training dives
- Apply skills learned in confined water in real ocean conditions
- Dive at beginner-friendly sites subject to sea conditions and instructor assessment
- Explore Bali's reefs under close instructor supervision

DAY 3: OPEN WATER DIVES 3+4 AND CERTIFICATION

- Complete your final two open water training dives
- Refine skills and gain confidence at your own pace
- Finish the course and earn your PADI Open Water Diver certification
