MOLA HUNTER ITINERARY

This itinerary can be personalised and is carefully designed to maximise mola mola encounters during peak season, though sightings cannot be guaranteed as they are wild animals.

DAY 1: ARRIVAL AND WELCOME

- Arrival at Nusa Penida, Harbour transfer to our resort
- Check-in and welcome briefing at Jukung Dive
- Equipment setup and dive orientation
- Free afternoon to relax or explore the island

DAY 2: MOLA DIVING BEGINS

- Morning departure for up to 3 dives at selected mola mola sites
- Detailed dive briefings focused on conditions, currents, and mola behaviour
- Surface intervals at sea or back at the dive centre
- Lunch provided on the dive boat
- Return early afternoon
- Free time to rest or enjoy optional spa treatments

DAY 4: MORE MOLA DIVING

- Morning departure for up to 3 dives
- Continued focus on mola mola encounters when conditions allow
- Lunch provided on the dive boat
- Return early afternoon
- Equipment rinse and logbook completion

DAY 3: MORE DIVING

- Morning departure for up to 3 dives at prime dive sites
- Flexible site selection based on daily conditions and recent sightings
- Lunch provided on the dive boat
- Return to the dive centre early afternoon
- Afternoon at leisure

DAY 5: FINAL DAY OF MOLA DIVING

- Morning departure for up to 3 dives at selected dive sites
- Continued focus on mola mola encounters when conditions allow
- Lunch provided on the dive boat
- Return to the dive centre early afternoon
- Free time to relax or prepare for departure

DAY 6: CHECK OUT AND DEPARTURE

- Breakfast at the resort
- Check out and prepare for departure
- Transfer to the harbour in Nusa Penida or onward travel assistance
- Farewell and safe travels home

This itinerary is designed for certified divers comfortable with cooler water and varying currents. Dive sites are selected daily based on sea conditions and visibility. Mola mola sightings are natural wildlife encounters and cannot be guaranteed. Please refer to our full terms and conditions for further details.
