A photograph of a diver underwater, wearing a white long-sleeved shirt, a watch, and a camera. The diver is holding a camera up to their eye, looking through the viewfinder. Bubbles are rising from the diver's regulator. The background is a clear blue ocean with some coral visible on the left and bottom right.

Please note that dive schedules and sites may be adjusted according to weather, sea conditions, and diver safety. Marine life sightings cannot be guaranteed. Full terms and conditions apply.
