

ONE BREATH TWO WRECKS

Explore the iconic USAT Liberty and Japanese Shipwreck alongside Amed's colourful reefs and abundant marine life.

- 
- A diver is seen swimming horizontally in the center of the frame, positioned between two large, rusted metal structures that appear to be parts of shipwrecks. The water is a deep, clear blue, and the structures are covered in marine growth and rust, indicating they are underwater for a long time. The diver is wearing a black wetsuit and fins, and is looking towards the right side of the frame.
