DAY 1 – ARRIVAL & WELCOME

Arrive by fast boat from Sanur and be warmly welcomed by our team at the harbour for your transfer to Jukung Dive Bali Penida. Upon arrival at the resort, enjoy a refreshing welcome drink, check in to your room, and take time to settle into your new surroundings.

You'll be invited for a relaxed orientation, equipment fitting, and personalised briefing to prepare you for your upcoming dive day. The rest of the afternoon is yours to enjoy at your own pace — unwind by the infinity pool, take in the ocean views, enjoy a sunset cocktail, or explore the island's peaceful coastline. This first day is all about slowing down, switching off, and easing into island life.

After breakfast at the resort, you'll head out for a full day of guided fun diving. Today's sites are carefully selected based on sea conditions and your experience level, ensuring a relaxed, safe, and unforgettable introduction to Nusa Penida's underwater world.

Between dives, you'll enjoy snacks, tea, coffee, and water during surface intervals, with lunch served on board between the second and third dives. Expect colourful reefs, vibrant marine life, and the chance for special encounters, depending on conditions. Return to the resort in the afternoon with time to relax, enjoy a swim, book a treatment at our on-site Sky Penida Spa, or simply unwind with ocean-view dining as the sun sets.

DAY 5 – DEPARTURE

After breakfast, enjoy a relaxed final morning at the resort. Take one last swim, enjoy the views, or simply savour the last moments of island life before your transfer back to the harbour for the fast boat to Sanur.
